The Budget says that Brookfield, for a city of 6,000 souls, is about as law-abiding a place as can be found on the map. Last month the city marshal reported three arrests for plain drunks, four arrests for disturbing the peace and fighting, and one arrest for stealing.

**Doesn't Respect Old Age.**

It's shameful when youth fails to show proper respect for old age, but just the contrary with Dr. King's New Life pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect pill. 25c at W. C. Gaston's drugstore.

A new rural free delivery mail route is to be established out of Triplett in the near future. W. W. Wilson, Lewis Piper, Chas. F. Merifield, Jos. Moritz, Stephen Brown and John McCiuhane have stood the examination for carrier, but Uncle Sam has not yet decided which of the aspirants to take the pole that will knock the persimmon.

Saturday night a train on the Burlington ran over and killed a man between Bucklin and Lingo. From a union card found on his person, his name is supposed to be B. Bolling. He had a pass from Kansas City to Chicago with a carload of calves that were being shipped by a man named Paul Gargoll. How the man came to be on the track and killed is a mystery.

**A Runaway Bicycle.**

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ills. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklin's Arnica Salve cured. Its just as good for Burns, Scalds, Skin Eruptions and Piles. 25c at W. C. Gaston's drugstore.

Mrs. Mattie Sweatman, col., who has been conducting a barbershop in Brunswick ever since her husband, C. B. Sweatman, abandoned her and the children several years ago, has moved to Kansas City to make her home. She had the respect of both white and colored people during her long residence in Brunswick, all of whom wish her well in her new location.

**Not a Sick Day Since.**

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c at W. C. Gaston's druggist.

Mrs. Lizzie Haskins of Monroe City came to Macon Saturday hunting her "liege lord," who, she claimed, had deserted her. She had a warrant for his arrest on a charge of abandonment. The marshal located Haskins and took him to his wife. He claimed he had not run away, but was hunting for work and would have sent for his wife as soon as he found it. Subsequently the lady claimed her husband was trying to get away from her again, but the marshal managed to keep them together until a train came along which they boarded for home.

J. B. Adkinson, a drayman of Moberly, bought an overcoat from a man who said his name was Stigall. Later it was ascertained that the coat was stolen from a man in Fayette who offered to refund Adkinson the amount he paid for the coat, but Adkinson will not give it up until the man proves it by law.

Kindly take notice that Ely's Cream Balm is of great benefit to those sufferers of nasal catarrh who cannot inhale freely through the nose, but must treat themselves by spraying. Liquid Cream Balm differs in form, but not medicinally from the Cream Balm that has stood for years at the head of remedies for catarrh. It may be used in any nasal atomizer. The price, including a spraying tube, is 75 cts. Sold by druggists and mailed by Ely Brothers, 56 Warren street, New York.

While hallowe'eners of Marceline were enjoying the sport of rolling wagons about the streets, stretching wires across the walks and doing other things funny Saturday night, some unknown person fired a gun loaded with rice or beans into their ranks, the contents of which took effect on three of them. While no bones were broken or blood spilt, it is said the charge did not produce as much merriment on the hallowe'eners as did their mischievous tricks.

**Stepped Against a Hot Stove.**

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well-known resident of Kellar, Va. Pain Balm is an anti-septic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by O. B. Anderson & Son.

A. E. Severance, says the Summer Star, had a novel experience at his home the other day and one that he will not soon forget. A flock of wild ducks came and mingled with the tame ones in a pond, near his house, and one of the boys took the gun and Mr. Severance proceeded to "shoo" the wild ducks from among the tame ones so his son could get a shot without injuring any of the tame fowls. One of the wild birds swam out a little way from the bunch and the boy turned loose on it and killed it, but the shot glanced up from the water and peppered the elder Severance in good shape, the most of them striking him about the body, but two or three of them burned him pretty badly about the head and face. It is a safe bet Mr. Severance will not use himself for a pointer again to flush birds for the boys to shoot at.

The new opera-house at Huntsville was formally opened Thursday night of last week.

C. D. Taylor of Macon was the owner of a fine Angora goat and Wm. Camilla had a fine dog which had a mind to sample the goat's meat and while doing so was shot and killed by Mrs. Taylor. The dog is said to be worth \$25 and the goat had been sold to an Iowa man for \$50 and was awaiting shipment. A compromised lawsuit resulted in which Camilla paid Taylor \$15 which ended the litigation.

Poke Morrissey was before Judge Griswold of Moberly Tuesday to answer a charge of disturbing the peace. He was fined \$5 and costs, whereupon he "poked" bad words at the prosecuting witness and spoke disparaging words of the judge in his presence. Then the judge took another hand in the fray and fined him \$10 for contempt of court, and Poke was led away to lay it out in jail for 20 days.

The Rustler says: T. J. Moore of Dalton moved to Clifton Hill last week where he bought the residence property of Jim Kitchen. This is our "Jeff" Moore, who, for many years, was an honored citizen and prosperous farmer of the Forks of Chariton, became dissatisfied, sold out and went to Greene county and ultimately to Springfield, where he lost money, and a year or so ago came back to Chariton and stopped for a while near Dalton.

**Don't Pay to Buy Cough.**

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What will you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. You can get this reliable remedy at H. M. Sigloch. Price 25c and 75c.

A German girl recently said she could tell the nationality of any man by the way he left a train, even if his back were toward her and his voice silent. The German stalked out and left his wife to follow as best she could. The Englishman was punctilious and bored, the Frenchman was nervous, cross and glib, the Dane sad and sojourner. Only the American was quick, efficient and happy in the performance of his natural duty. Unless when foreign food gives him dyspepsia, or he is inclined, when following his wife through the shops, to worry about the custom-house, he is, when traveling, as happy as a boy, and flings about money—when he has it—like royalty visiting royalty. With the European, domestic economics are never in abeyance.

**The Best Remedy for Croup.**  
(From the Atchison, Kas., Daily Globe.)

This is the season when the woman who knows the best remedy for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by O. B. Anderson & Son.
